- Isaiah 27:3

YOU ARE UNIQUE !

God's Message By: Dr.PAUL KIRUBAKARAN

**“Happy art thou, O Israel; who
is like unto thee, O people
saved by the LORD, the shield
of thy excellency! and thine
enemies shall be found liars
unto thee; and thou shalt tread
upon their high places.”**

Deuteronomy 33:29

YOU ARE BLESSED!

Dearly beloved in
Christ! Did you realise that you
are blessed immensely? Or

does circumstances make you
think otherwise? It's true that at
times it becomes impossible for
you to believe that you are
blessed because you tend to
focus and set your sights upon
the things of the world and by
doing so you get discouraged
and you let contempt and
bitterness enter into your life.
It is very much necessary to
believe and confess that you are

blessed in order to live and
inherit the blessings that
God has in store for you.

**“ That if thou shalt
confess with thy mouth
the Lord Jesus, and shalt
believe in thine heart
that God hath raised him
from the dead, thou shalt
be saved.”**

— Romans 10:9

WHO IS LIKE YOU?

You are unique! Absolutely special!

Did you know why? Because, the God we worship and serve is incomparable. The very moment you were saved by His saving grace, you were also made incomparable, just as He is. That why He asks **“O people saved by the Lord... who is like you?”**

But still at times, when you encounter challenging situations and when you give-in to pressure, you naturally forget your worth, your speciality, the very fact that you are the child of the most high God. You begin to think greatly of the problems, those giants and the enemies that you face. When Moses in the Bible, sent spies to bring report of the land, 10 of them came back and they instead of reporting compared themselves with the people of the land.

God has made each one of us UNIQUE. We are incomparable and special. Yes! You are truly special and beyond comparison!

“Many daughters have done virtuously, but thou excellest them all.” — Proverbs 31:29

Have you ever thought of this? You are the bride of the great God of majesty and splendour, the fairest of all and because of this you are much more unique and special and not only that you excel them all.

You might envy your friends, family, neighbours and other people of this world but God wants to reveal to everyone around you of how very unique you are than all of them and its not necessary that you should have much more than them to be unique because you are the bride of the incomparable and everlasting God. There's nothing more that you need to prove your uniqueness than the presence and the loving embrace of the everlasting God in your life.

Though we live among a generation of people who wear masks of religiously, dedication and Godliness towards their heathen and false Gods, we should be a living testimony that will make them realise and testify that its our God who can truly save.

NOT WORTHY OF COMPARISON!

“For I reckon that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed in us.”

- Romans 8:18

Sometimes, you tend to compare your sufferings with the sufferings of the others and get a bit of satisfaction that your suffering is far better. But by doing so, you would only grow weary. Nut if you compare your sufferings with the glory that is to be revealed to us, then you will know that whatever suffering you might by going through is nothing and you will say that its all for good.

Shadrach, Meshach and Abednego were bound and thrown into the fiery furnace. But those bondages were broken in that fiery furnace and there was a fourth man walking with them.

You might be in a fiery furnace but God will use that furnace to break your bondages and through that trial that you are going through He will walk with you. Everyone will know that the God you worship is the living God and that He is the only one who can truly save.

Those who deceived evil against you cannot save you from it. The same king who asked his soldiers to throw Shadrach, Meshach and Abednego into the fiery furnace could not ask his soldiers to get them out but he had to request them to come out on their own accord. Why? Because, the same soldiers who threw them in the furnace were consumed by the flames and not only that the king had just witnessed God in the midst of the flames walking with them and he realised how unique Shadrach, Meshach and Abednego were!

Everyone around you might be watching and mocking you as you struggle on with your problems and trials. But they will witness your speciality,

your uniqueness right in the midst of your fiery furnace that you are in, when the almighty God walks beside you protecting and leading you.

They will be amazed. Nobody will or can walk with you in your trials, you fiery furnace, but only God can walk with you and He will surely walk with you.

Joseph was in the prison but God was with him in the prison.

The more your troubles increase, the more your testimony will grow. The more you are abused, the more God will exalt you. It is true that we are persecuted and troubled like everyone else and at times even much more than everyone else but still God asks, "**who is like you?**". He knows how to present you as a living testimony, an instrument of Glory and blessing. Out of the every mouth of these mocked at you will come, the words; "**The God you worship is truly the living God.**"

"For we dare not make ourselves of the number, or compare ourselves with some that command themselves: but they measuring themselves by themselves, and comparing themselves among themselves, are not wise." - 2Corinthians 10:12

Anyone who is saved by God but yet compares themselves with others, will

surely face failure and lose their calling.

It is only God who will compare us with one person – the 'wise man'

"...I will liken him unto a wise man, which built his house upon a rock." – Matthew 7:24

Who is this wise man who built His house upon a rock? It is Jesus Christ.

"...upon this rock I will build my church; and the gates of hell shall not prevail against it." – Matthew 16:18

If you spend all your time, your strength, your everything in the presence of God, then you will be a wise man, a wise woman.

God has chosen you with a totally different purpose and plan. You are totally unique and so is your calling and your purpose in life. And surely, when you hold on to this truth. God will fulfill His purpose and His will in your life. Even in this month, I urge you to hold-on to the promises of God. Never ever give room for negative thoughts and never think low of yourself at anytime.

You are precious. Take these words in you, activate it in your life and follow the word of God. You will surely be a source of encouragement, inspiration and blessing.

Be blessed!
